TITLE AND DESCRIPTION OF PROJECT

Outline in some detail the project you propose to do at the Pontifical Institute. Candidates may attach a **single** separate sheet, if necessary.

The Institute has a distinctive tradition of interdisciplinary studies as a formation for medieval scholarship. To that end, the post-doctoral Research Seminar, which meets fortnightly during both the fall and spring terms, is intended to bring recent scholarship from various branches of medieval studies to bear on the common interests of the participants. Mellon Fellows are expected to participate in this seminar. How do you feel such exchanges will benefit your own scholarly activities?

LETTERS OF RECOMMENDATION

*Names and addresses of at least two scholars whom you have asked to send letters of recommendation directly to the President's Office. Include telephone, fax, and e-mail information wherever possible. Please ensure that letters reach us no later than **1 February 2012**.*
